**EMPLOYMENT OPPORTUNITY**

Fire Engineer / Medical Responder

The Town of Landis, Fire Department is seeking a highly motivated individual to fill a full-time position to be classified as a Fire Engineer/Medical Responder. Primary responsibilities of the position include: driving/operating fire apparatus, responding to emergency medical calls, maintaining apparatus, equipment, and facilities. Other duties may include but are not limited to hose testing, apparatus/equipment testing, training activities, and public education. Work schedule will be rotating 24 hour shifts. This position may require rotating shift work at various times throughout the year. Applicants must be at least eighteen (18) years of age with a valid NC driver's license. A certified criminal history and driving record will be required with all completed application packets. Qualified applicants must pass a drug screening and physical.

**Minimum Qualifications:** NC Firefighter II; NC Medical Responder certification; Haz-Mat Operations; NC Class B driver's license (or the ability to obtain all of the above within 12 months of hire date); minimum of two (2) years experience in the fire service.

**Desirable Qualifications:** NC Driver/Operator EVD, Pumps, and Aerials, NC Rescue Technician.

The Town of Landis prohibits discrimination on the basis of race, color, national origin, sex, religion, or age.
