PUBLIC NOTICE: January 20, 2016

The Town of Landis will be replacing a sewer main on North and South Meriah Street beginning at West Blume Street and running south to West Ridge Street. This project is scheduled to begin January 25th and last approximately two (2) months. Please note that there will be some minor inconveniences to our citizens that travel in the area that may include but not limited to; parking on North and South Meriah Street, construction traffic, detours; road closures and neighborhood traffic. Also during this period contractors will be replacing each individual sewer service.

We apologize for inconveniences that this may cause. Should you have any questions please contact:
