Enrollment is held once yearly for participation in the plan and a list of criteria for participation is detailed below:

- To be eligible for the EPP the customer has to have held an account with the Town of Landis for a **minimum of one year** at the **same service address**, with no interruption of service. Business and commercial accounts are not eligible for EPP.
- Participants in this plan may not **fall behind** in payments and must have the **balance paid each month by the 20th**.
- To enroll in the plan customers must begin with a **zero balance** as of February 18th, 2014.
- Customers will have to come into City Hall to complete an enrollment form for the EPP.
