WALK UP WINDOW & DROP BOX

We are pleased to announce that the new walk-up window has been installed. The lobby remains closed due to COVID-19. However, we can now process payments through the new walk-up window. Thank you for your patience as we have worked to protect our staff and citizens during this pandemic.

The Town of Landis' drop box was refabricated in December. It was waterproofed to protect the documents inside the box. The envelope storage box has been modified as well for protection from the elements. The box was also repositioned to be more easily reached from many different size vehicles.

ONLINE BILL PAY

Go to the Utility Bill Pay tab on the Town website. The link will take you to the MyGovHub website. You will be instructed to set up your personal account. To search for your account, type in the street number and the first few letters of your street (as it is written on the service address of your bill). You will also need your account number (without the zeros). If you have any issues, call the Town Hall at (704) 857-2411.
