The Tuesday, February 9, 2021 meeting of the Planning Board was recessed until Wednesday, February 24th beginning at 5:30 PM. The board took this action to insure it will be able comply with the legislated requirements of G.S. 160D. The meeting will again be available for live or recorded viewing by citizens and interested parties on our You Tube channel. We will be filming the meeting in our effort to more easily comply with the Governor's recent executive order and, at the same time insure that interested parties will be able to view the meeting.

To insure compliance with executive orders and other directives designed to keep everyone safe during the ongoing Covid-19 virus pandemic, those in attendance will be limited to planning board members, staff and presenters. The attendees will be required to wear masks and conform to social distancing and other measures necessary to protect attendees.
