

Press Release

Due to Governor Cooper's recently announced Executive Order No. 180 further restricting gatherings, it is our belief that such restrictions makes it virtually impossible to carry on certain annual Christmas events in a manner that assures the safety of residents and attendees. Therefore, it is with regret that we announce the following notice of cancellation and modification of the following annual Town of Landis sponsored Christmas events.

Town of Landis Tree Lighting Celebration

This event will not be cancelled in its entirety but will be modified to become a virtual experience with citizens and interested parties invited to join us on our Facebook Page live beginning at 6:00 pm on December 4th.

Town of Landis – Camp Fire Christmas by the Lake with Santa

This event will be cancelled in its entirety. The Wilderness Park will continue to be open in accordance with current guidelines.

In conclusion, town staff will continue to work with the Town Board to explore ways to help make the 2020 Christmas Holiday Season as normal as possible.

Leonard Barefoot, Landis Interim Town Manager
